VETERANS & ADULT VOCATIONAL PROJECTS

Cornerstone Workforce Development Program funded by congress and paid through the Department of Labor served as the agent that employs the unemployable ages (25 and up). We leveraged the huge opportunity within the Workforce Industry in Birmingham, Alabama to develop training programs for housekeeping departments of one of several and eventually all of the local hospitals and hotels. We will equipped program participants with specific cleaning skills, behavior modifications that included character awareness; work environment etiquette; family and life skills.

- First term of the Congressional Project Grant (2023-2025)**
- 2 years of Funding at 1.5 million**
- (102) Adult Participants Serviced**
- (90) Received Vocational Training [CNA/Phlebotomy & CDL]**
